An Introduction to CEAL

Hello all! Here at the Centre for English and Additional Languages (CEAL) English Language Support Services (ELSS) we want to welcome incoming and returning students to Lingnan University. At the CEAL ELSS we have anxiously been awaiting your return to campus, and a new year of offering our tutoring services to students. For new students, and anyone who needs a refresher, CEAL ELSS is a free English tutoring resource here on campus, located in LBY202.

We offer a wide variety of services commonly known as WAP, SAP, RAP and the Drop-In Centre. WAP is writing assistance, SAP is speaking assistance, RAP is reading assistance and the Drop-In Centre is for everything else! In order to book an appointment or reserve a spot in the RAP, SAP or WAP, simply log on to Moodle and pick your appointment time. No appointment is necessary for the Drop-In Centre, so stop in any time to see us and have a chat. Our services run Monday-Friday 10:30-1:30 and again from 3-6pm. The ELSS is staffed by Visiting English Tutors (VETs) who are recent college graduates and native English speakers.
